Mr. Thomas Jalloway
23 Wood Road
Mashpee, Ma 02649

It is with pleasure that I write this recommendation letter two years after Tom Jalloway designed my landscaping for a new home. A homeowner cannot start to appreciate a design until it starts to grow and come together with trees, shrubs, and perennials. As we put our garden to sleep for another year we can appreciate the uniqueness and pleasing design Tom accomplished for this site. Not only did he choose unusual material but the textures and seasons are well thought out. Tom implemented his design after he walked the property several times and "listened" to input from me. Tom's warm approach and knowledge made working with him a very pleasurable experience. I highly recommend Tom as a landscape designer with an extraordinary business sense. I hope to engage Tom again next year to design another area on my property.

Sincerely,
